

Fill in the gaps

Major-General's Song by Gilbert And Sullivan

...

I am the (1)_____ model of a modern Major-General
I've information vegetable, animal, and mineral
I know the kings of England
And I quote the fights historical
From Marathon to Waterloo, in order categorical
I'm very well acquainted, too, with matters mathematical
I understand equations, both the simple and quadratical
About binomial (2)_____ I'm (3)_____
(4)_____ a lot o' news
(Hmm, lot of news.... Got it!)

...

I'm very good at integral and differential calculus
I know the scientific names of (5)_____
animalculous
In short, in matters vegetable, animal, and mineral
I am the very (6)_____ of a modern Major-General

...

I know our mythic history
King Arthur's and Sir Caradoc's
I answer hard acrostics, I've a pretty taste for paradox
I quote in elegiacs all the crimes of Heliogabalus
In conics I can floor peculiarities parabolous
I can tell undoubted
Raphaels from Gerard Dows and Zoffanies
I know the croaking chorus
From The Frogs of Aristophanes
Then I can hum a fugue
Of which I've heard the music's din afore
(Ooh, din afore, din afore... Got it!)

...

Then I can write a washing bill in Babylonian cuneiform
And tell you every detail of Caractacus's uniform
In short, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General

...

In fact
When I know what is meant by "mamelon" and "ravelin"
When I can tell at sight a Mauser rifle (7)_____ a javelin
When such affairs as sorties

And surprises I'm more wary at
And when I know precisely
What is (8)_____ by "commissariat"
When I (9)_____ learnt
What progress has been made in modern gunnery
When I know more of tactics than a novice in a nunnery
In short, when I've a smattering of elemental strategy
(Oh, that's a hard one, strategy... Got it!)

...

You'll say a better Major-General has never sat a-gee
For my military knowledge
Though I'm plucky and adventury
Has only been brought down
To the beginning of the century
But still, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General

...

(One more time?!)

...

In fact
When I know what is meant by "mamelon" and "ravelin"
When I can tell at sight a Mauser rifle from a javelin
When such affairs as sorties
And surprises I'm more wary at
And when I know precisely
What is meant by "commissariat"
When I have learnt
What progress has been made in modern gunnery
When I know more of tactics than a novice in a nunnery
In short, when I've a smattering of elemental strategy
You'll say a better Major-General has never rode a horse!

...

For my military knowledge
Though I'm plucky and adventury
Has only been brought down
To the beginning of the century
But still, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General!

...

Fill in the gaps

Answer

1. very
2. theorem
3. teeming
4. with
5. beings
6. model
7. from
8. meant
9. have
