How I wish I (1) surrender my soul	I'm so cold (13) fear
Shed the clothes that become my skin	I guess it's time I run far, far away
See the liar that burns within my needing	Find comfort in pain
How I wish I'd chosen (2) (3)	_ All pleasure's the same
cold	It just keeps me (14) trouble
How I (4) I had screamed out loud	Hides my true shape, (15) Dorian Gray
Instead I've found no meaning	I've heard what they say
I guess it's (5) I run far, far away	But I'm not (16) for trouble
Find comfort in pain	Far, far away; find (17) in pain
All pleasure's the same	All pleasure's the same
It just keeps me from trouble	It (18) keeps me (19) trouble
Hides my true shape, like Dorian Gray	It's more (20) (21) words
I've (6) they say	It's (22) tears and rain
But I'm not (8) for trouble	Tears and rain
It's more than just words	Tears and rain
It's just tears and rain	Far, far away; (23) (24) in pai
How I (9) I (10) walk through	All pleasure's the same
The doors of my mind	It (25) (26) me (27)
Hold memory (11) at hand	trouble
Help me understand the years	It's more than just words
How I wish I could choose between	It's (28) tears and rain
Heaven and Hell	
How I wish I (12) save my soul
