

Fill in the gaps

	But my feelings for you are forever
In the brightest hour	One last kiss
Of my darkest day	Before I go
I realized	Dry your tears
What is wrong with me	It is time to let you go
Can't get over you	One last kiss
Can't get through to you	(One last kiss)
It's been a helter-skelter romance from the start	Before I go
Take (1) memories	(Before I go)
That are haunting me	Dry your tears
Of a paper man cut (2) shreds	(Dry your tears)
By his own pair of scissors	It is time to let you go
He'll never (3) her	Because (7) come and go
He'll never forgive her	But my feelings for you are forever
Because days come and go	Because days (8) and go
But my feelings for you are forever	But my (9) for you are forever
Because (4) come and go	One last kiss
But my feelings for you are forever	(One (10) kiss)
Sitting by the fire on a lonely night	Before I go
Hanging over from another good time	(Before I go)
With another girl, little dirty girl	Dry your tears
You should (5) to this story of a life	(Dry your tears)
You're my heroin	It is time to let you go
In this moment I'm lonely	One last kiss
Fullfilling my darkest dreams	Before I go
All these drugs, all these women	Dry your tears
I'm never forgiving	It is time to let you go
This broken (6) of mine	One last kiss
Because days come and go	
But my feelings for you are forever	
Because days come and go
