Humidity is rising		God (4) Mother Nature
Barometer's getting low		She's a single woman too
According to our sources		She took over heaven
The street's the place to go		And she did what she had to do
Cause' tonight for the first time		She (5) every Angel
Just about half past ten		To rearranged the sky
For the first time in history		So (6) each and every woman
t's gonna start raining men		Could find the perfect guy
t's raining men		It's raining men
Hallelujah		Don't get (7) Weather Girls
t's raining men		I (8) you want to
Amen		I feel stormy wheather moving in
t's (1) men -lallelujah t's raining men Amen		About to begin
		Hear the thunder
		Don't you (9) your head
		Rip off the roof and stay in bed
Humidity is rising		(Rip off the roof and stay)
Barometer's getting low		It's raining men
According to our sources		Hallelujah
The street's the place to go		It's raining men
Cause' tonight for the first time		Amen
Just about half past ten		It's raining men
For the first time in history		Hallelujah
t's gonna start raining men		It's raining men
t's (2) men		Amen
Hallelujah		It's raining men
t's raining men Amen 'm gonna go out		Hallelujah
		It's raining men
		Amen
'm gonna let myself get		It's raining men
Absolutley (3)	wet	Hallelujah
t's raining men		It's raining men
- Hallelujah		Amen
t's raining men		
Every special men
