Dear God by Avenged Sevenfold

A lonely road, crossed another (1) state line		But I left her when I found her	
Miles away from those I love, (2)	hard to	And now I wish I'd stayed	
find		'Cause I'm lonely and I'm tired	
While I recall all the words you spoke to me		I'm missing you again (oh no)	
Can't help but (3) that I was there		Once again	
Back where I'd love to be (oh yeah)		Some search, never finding a way	
Dear God, the only thing I ask of you		Before long, they waste away	
Is to hold her when I'm not around		I found you, something (6) me to stay	
When I'm much too far away		I gave in, to selfish ways	
We all need that person who can be true to you		And how I (7) someone to hold	
But I left her when I found her		When hope (8) to fade	
And now I wish I'd stayed		A lonely road, crossed another cold state line	
'Cause I'm lonely and I'm tired		Miles away from those I love purpose hard to find	
I'm missing you again (oh no)		Dear God, the only thing I ask of you	
Once again		Is to hold her (9) I'm not around	
There's nothing here for me, on this (4)	road	When I'm much too far away	
There's no one here while the city sleeps		We all need that (10) who can be true	ie to you
And all the shops are closed		But I left her when I found her	
Can't help but think of the times I've had with you		And now I wish I'd stayed	
Pictures and some memories		'Cause I'm lonely and I'm tired	
Will have to help me through (oh yeah)		I'm missing you again (oh no)	
Dear God, the only thing I ask of you		Once again	
Is to hold her (5) I'm not around			
When I'm much too far away			
We all need that person who can be true to you
