You, with your words like knives	Someday I'll be big enough so you can't hit me
And swords and weapons that you use against me	And all you're ever going to be is mean
You, have knocked me off my feet again	Why you gotta be so mean?
Got me feeling like I'm nothing	And I can see you years from now in a bar
You, with your voice like nails on a chalkboard	Talking over a football game
Calling me out when I'm wounded	With that same big loud opinion but
You, picking on the weaker man	Nobody's listening
Well you can take me down with (1) one single	Washed up and ranting about the same old bitter things
blow	Drunk and (8) on about how I can'
But you don't know	sing
What you don't know	But all you are is mean
Someday I'll be living in a big ol' city	All you are is mean
And all you're ever going to be is mean	And a liar
Someday I'll be big enough so you can't hit me	And pathetic
And all you're ever going to be is mean	And alone in life
Why you gotta be so mean?	And mean, and mean, and mean
You, with your (2) sides	But someday I'll be living in a big ol' city
And (3) wildfire (4) and your humiliation	And all you're ever going to be is mean, yeah
You, have pointed out my (5) again	Someday I'll be big enough so you can't hit me
As if I don't (6) see them	And all you're ever going to be is mean
I walk with my head down	Why you gotta be so mean?
Trying to block you out 'cause I'll never impress you	Someday I'll be living in a big ol' city
l just wanna feel okay again	(Why you gotta be so mean?)
l bet you got pushed around	And all you're (9) (10) to be is mean
Somebody made you cold	Why you gotta be so mean?
But the cycle ends right now	Someday I'll be big enough so you can't hit me
Cause you can't lead me down that road	(Why you gotta be so mean?)
And you don't know	And all you're ever going to be is mean
What you don't know	Why you gotta be so mean?
Someday I'll be living in a big ol' city	
And all you're ever (7) to be is mean
