So Far Away by Avenged Sevenfold

Fill in the gaps

Never (1)	for anything	Place and time always on my mind
Never shamed but (2)	free	I have so much to say but you're so far away
Alive to hear the broken heart (3) all that it could		Sleep tight, I'm not afraid
Lived a life so endlessly		The ones that we love are here with me
Saw beyond what others see		Lay away a place for me
I tried to heal your broken heart		'Cause as soon as I'm (7) I'll be on my way
With all that I could		To live eternally
Will you stay?		How do I live without the ones I love?
Will you stay away forever?		Time still turns the pages of the book it's burned
How do I live without the ones I love?		Place and time always on my mind
Time still turns the pages of the (4) it's burned		And the light you left remains but it's so hard to stay
Place and time always on my mind		When I (8) so much to say and you're so far away
I have so much to say but you're so far away		I love you
Plans of what our futures hold		You were ready
Foolish lies of growing old		The pain is strong and urges rise
It seems we're so invincible		But I'll see you
The (5) is s	so cold	You'll let me
A final song, a last request		Your pain is gone, your hands are tied
A perfect chapter laid to rest		So far away
Now and then I try to find a place in my mind		And I need you to know
Where you can stay		So far away
You can stay awake forever		And I need you to need you to know
How do I live without the	ones I love?	
Time still (6) the pages of the book it's burned
