Fill in the gaps

Never (1) for anything	Place and (8) always on my mind
Never (2) but never free	I have so much to say but you're so far away
Alive to hear the (3) heart (4) all	Sleep tight, I'm not afraid
that it could	The ones that we love are (9) with me
Lived a life so endlessly	Lay away a place for me
Saw beyond what others see	'Cause as soon as I'm done I'll be on my way
I tried to heal your broken heart	To live eternally
With all that I could	How do I live without the ones I love?
Will you stay?	Time still turns the pages of the book it's burned
Will you stay away forever?	Place and time always on my mind
How do I live without the ones I love?	And the light you left remains but it's so (10) to
Time still turns the pages of the book it's burned	stay
Place and time always on my mind	When I have so much to say and you're so far away
I have so much to say but you're so far away	I love you
Plans of what our futures hold	You were ready
Foolish lies of (5) old	The pain is strong and urges rise
It seems we're so invincible	But I'll see you
The truth is so cold	You'll let me
A final song, a last request	Your pain is gone, your hands are tied
A perfect chapter laid to rest	So far away
Now and then I try to find a place in my mind	And I need you to know
Where you can stay	So far away
You can stay (6) forever	And I need you to need you to know
How do I live without the ones I love?	
Time still turns the (7) of the book it's burned
