

He (5)_____ to argue

Fill in the gaps

I don't think that passenger seat		Born on the seventeenth
Has ever (1) this good to me		His sister's beautiful
He tells me about his night		He has his father's eyes
And I count the colors in his eyes		And if you ask me if I love him
He'll never fall in love, he swears		I'd lie
As he runs his fingers through his hair		He stands there, then (6) away
I'm laughing 'cause I (2) he's wrong		My God, if I could only say
And I don't think it (3) (4)	his	"I'm holding every breath for you"
mind		He'd never tell you
He tells a joke, I fake a smile		But he can play guitar
But I know all his favorite songs		I (7) he can see through
And I could tell you		Everything but my heart
His favorite color's green		First (8) when I wake up
He loves to argue		Is "My God he's beautiful"
Born on the seventeenth		So I put on my make-up
His sister's beautiful		And pray for a miracle
He has his father's eyes		Yes, I could tell you
And if you ask if I love him		His favorite color's green
I'd lie		And he loves to argue
He looks around the room		Oh, and it kills me
Innocently overlooks the truth		His sister's beautiful
Shouldn't a light go on		He has his father's eyes
Doesn't he know that		And if you ask me if I love him
I've had him memorized for so long and		Don't you ask me if I (9) him
He sees everything black and white		'Cos I'd lie
Never let nobody see him cry		
I don't let nobody see me wishing he was mine		
I could tell you his favorite color's green
