## Christmas Lights by Coldplay

## Fill in the gaps

Christmas night, another fight	Doesn't really feel like Christmas at all
Tears we cried a flood	Still waiting for the snow to fall
Got all kinds of poison in	It doesn't really feel like Christmas at all
Poison in my blood	Those Christmas lights
I took my feet	Light up the street
To Oxford Street	Down where the sea and city meet
Trying to right a wrong	May all your troubles soon be gone
Just walk away	(Oh) Christmas lights keep (7) on
Those windows say	Those Christmas lights
But I can't believe she's gone	Light up the street
When you're (1) waiting for the snow to fall	Maybe they'll bring her back to me
Doesn't really feel (2) Christmas at all	Then all my troubles will be gone
Up above candles on air flicker	(Oh) (8) lights kee
(Oh) they flicker and they float	(9) on
But I'm up here (3) on	(Oh) Christmas lights
To all those chandeliers of hope	Light up the street
Like some drunken Elvis singing	Light up the fireworks in me
I go singing out of tune	May all your troubles soon be gone
Saying how I always loved you darling	Those Christmas lights (10) shining on
And I always will	
(Oh) (4) you're still (5) for the	
(6) to fall	

- 1. still
- 2. like
- 3. holding
- 4. when
