

Doesn't really feel like Christmas at all

Christmas night

Fill in the gaps

Still waiting for the snow to fall

Christmas Lights (Live) by Coldplay

Another fight		It doesn't really (5	5)	(6)	Christmas at all	
Tears we cried a flood			Those Christmas lights			
Got all (1)	of poison in	Light up the street				
Poison in my blood		Down where the sea and city meet				
I took my feet			May all your troubles soon be gone			
To Oxford Street			Oh Christmas lights keep shining on			
Just try to right a wrong			Those Christmas lights			
Walk away			Light up the street			
Those windows say			Maybe they'll bring	g her (7)		to me
But I can't believe she's gone			Then all my (8)			will be gone
When you're still waiting for the snow to fall			Oh Christmas lights keep shining on			
Doesn't really feel like Christmas at all			(Oh oh oh oh oh oh)			
Up above candles on air flicker			Those Christmas lights			
Oh they flicker and they float			Light up the street			
But I'm up here holding on			Light up the fireworks in me			
To all those chandeliers of hope			May all your troubles soon be gone			
Like some drunken Elvis singing		Oh Christmas lights keep shining on				
I go singing out of tune		Happy Christmas everybody				
Saying how I always (2) you darling						
And I always will						
Oh (3) you	r're still (4)	for the				
snow to fall
