

I go singing out of tune

And I always will

Saying how I always loved you darling

Doesn't really feel like Christmas at all

Oh when you're still waiting for the snow to fall

Fill in the gaps

Christmas night Another fight Tears we cried a flood Got all kinds of poison in Poison in my blood I took my feet To Oxford Street Just try to right a wrong Walk away Those windows say But I can't believe she's gone When you're still (1)_____ for the snow to fall Doesn't (2)_____ feel like Christmas at all Up above candles on air flicker Oh they flicker and they float But I'm up here holding on To all those chandeliers of hope Like some drunken Elvis singing

Still waiting for the snow to fall
It doesn't really feel like Christmas at all
Those (3) lights
Light up the street
Down where the sea and city meet
May all (4) (5) soon be gone
Oh (6) lights keep shining on
Those Christmas lights
Light up the street
Maybe they'll bring her back to me
Then all my troubles will be gone
Oh Christmas lights keep shining on
(Oh oh oh oh oh oh)
Those (7) lights
Light up the street
Light up the fireworks in me
May all your troubles soon be gone
Oh (8) lights (9) shining or
Happy Christmas everybody
