## Fill in the gaps

## Christmas Lights (Live) by Coldplay

Christmas night	Still waiting for the snow to fall
Another fight	It doesn't really feel (9) Christmas at all
Tears we cried a flood	Those Christmas lights
Got all (1) of poison in	Light up the street
Poison in my blood	Down where the sea and city meet
I took my feet	May all your troubles soon be gone
To (2) Street	Oh Christmas lights keep shining on
Just try to right a wrong	Those Christmas lights
Walk away	Light up the street
Those windows say	Maybe they'll bring her back to me
But I can't believe she's gone	Then all my troubles will be gone
When you're (3) waiting for the snow to fall	Oh Christmas lights keep shining on
Doesn't really feel like Christmas at all	(Oh oh oh oh oh oh)
Up (4) candles on air flicker	Those Christmas lights
Oh (5) flicker and they float	Light up the street
But I'm up here holding on	Light up the fireworks in me
To all those chandeliers of hope	May all your troubles soon be gone
Like some drunken Elvis singing	Oh Christmas lights keep (10) oi
I go singing out of tune	Happy Christmas everybody
Saying how I always (6) you darling	
And I always will	
Oh when you're still (7) for the snow to fall	
Doesn't really (8) like Christmas at all
