I Won't Let You Go by James Morrison

When it's black	And if your sky is falling
Take a little time to hold yourself	Just take my hand and hold it
Take a little time to (1) around	You don't have to be alone, alone, yeah
Before it's gone	I won't let you go
You won't let go	(Won't let you go, won't let you go)
But you still (2) on falling down	And if you (10) the fading of the light
Remember how you saved me now	And you're too (11) to carry on the fight
From all of my wrongs, yeah	And all your (12) that you (13)
And if there's love just feel it	on
And if there's life we'll see it	Have disappeared
This is no time to be alone, alone, yeah	I'll be here, not gone, forever, holding on, oh
I won't let you go	And if there's (14) (15) feel it
Say those words	And if there's life we'll see it
Say those (3) like there's (4)	This is no time to be alone, alone, yeah
