## I Won't Let You Go by James Morrison

When it's black			And if (7) sky is falling
Take a little time to hold yourself			Just (8) my hand and (9) it
Take a little time to feel around			You don't have to be alone, alone, yeah
Before it's gone			I won't let you go
You won't let go			(Won't let you go, won't let you go)
But you still keep on falling down			And if you feel the fading of the light
Remember how you saved me now			And you're too weak to carry on the fight
From all of my wrongs, yeah			And all your (10) that you count on
And if there's love just feel it			Have disappeared
And if there's life we'll see it			I'll be here, not gone, forever, holding on, oh
This is no time to be alone, alone, yeah			And if there's love just feel it
won't let you go			And if there's life we'll see it
Say (1) words			This is no time to be alone, alone, yeah
Say those words like there's nothing else			I won't let you go
Close your eyes and you might believe			(Won't let you go, won't let you go)
That (2) is some way out			And if your sky is falling
Open up			Just take my hand and hold it
Open up your heart to me now			You don't have to be alone, alone, yeah
_et it all come (3)	out		I won't let you go
There's nothing I can't take			(Won't let you go, won't let you go)
And if there's (4)	(5)	_ feel it	I won't let you go, No I won't let
And if there's life we'll see it			I won't let you go, No I won't let
This is no (6)	to be alone, alone, yeah		I won't let you go, No I won't let you go
won't let you go
