Wish right now, wish right now

Fill in the gaps

Airplanes by B.o.B & Hayley Williams (Paramore)

Can we pretend that airplanes	Somebody take me back to the days
n the night sky are like shooting stars?	Before this was a job, before I got paid
could really use a wish right now	Before it ever (15) what I had in my bank
Nish right now, wish right now	Yeah, back (16) I was trying to get a tip at subway
Can we pretend that airplanes	And back when I was rapping for the hell of it
n the (1) sky are like shooting stars?	But now a days we rapping to stay relevant
could really use a wish right now	I'm guessing that if we can make
Nish right now, wish right now	Some wishes outta airplanes
Yeah, I could use a dream or a genie or a wish	Then maybe yo (17) I'll go back to the days
To go back to a (2) much simpler than this	Before the politics that we call the rap game
Cause after all the partying and smashing and crashing	And back when ain't nobody listened to my mix tape
And all the glitz and the glam and the fashion	And (18) before I tried to (19) up my
And all the pandemonium and all the madness	slang
There comes a time where you (3) to the	But this is for the Cada, what's up Bobby Ray?
plackness	So can I get a wish to end the politics
And when you're staring at that phone in (4) lap	And get back to the music that started this
And you hoping but them (5) never	So here I stand and then again I say
(6) you back	I'm (20) we can make some
But that's just how the story unfolds	(21) outta airplanes
You get another hand soon after you fold	Can we pretend that airplanes
And (7) your plans unravel	In the night sky are like shooting stars?
And they saying what would you wish for	I could really use a wish right now
f you had one chance?	Wish right now, wish (22) now
So airplane airplane sorry I'm late	Can we (23) that airplanes
'm on my way so don't (8) that gate	In the night sky are like shooting stars?
f I don't (9) that (10) I'll switch my flight	I could really use a wish right now
And I'll be right back at it by the end of the night	Wish right now, wish (24) now
Can we pretend that airplanes	I could really use a (25) right now
n the (11) sky are like shooting stars?	I could (26) use a wish right now
could really use a (12) right now	Like (27) like shooting stars
Nish (13) now, wish right now	I could really use a wish (28) now
Can we pretend (14) airplanes	A (29) a wish right now
n the night sky are like shooting stars?	
could really use a wish right now
