Airplanes by B.o.B & Hayley Williams (Paramore)

Can we pretend that airplanes	Somebody take me (5) to the days
In the night sky are like shooting stars?	Before this was a job, before I got paid
I could really use a wish right now	Before it ever mattered what I had in my bank
Wish right now, wish right now	Yeah, (6) when I was trying to get a tip at subway
Can we pretend that airplanes	And back when I was rapping for the hell of it
In the night sky are like shooting stars?	But now a days we rapping to stay relevant
I could really use a wish right now	I'm guessing that if we can make
Wish right now, wish right now	Some wishes outta airplanes
Yeah, I could use a dream or a genie or a wish	Then maybe yo maybe I'll go back to the days
To go back to a place much simpler than this	Before the (7) that we call the rap game
'Cause after all the partying and smashing and crashing	And back when ain't nobody listened to my mix tape
And all the (1) and the glam and the fashion	And back before I tried to cover up my slang
And all the pandemonium and all the madness	But this is for the Cada, what's up (8) Ray?
There comes a time where you fade to the blackness	So can I get a wish to end the politics
And when you're staring at that phone in your lap	And get back to the music (9) started this
And you hoping but them people never call you back	So here I stand and then again I say
But that's just how the story unfolds	I'm hoping we can make some wishes outta airplanes
You get another hand soon after you fold	Can we pretend that airplanes
And when your plans unravel	In the night sky are like shooting stars?
And they saying (2) would you wish for	I could really use a wish right now
If you had one chance?	Wish right now, wish right now
So airplane airplane sorry I'm late	Can we pretend that airplanes
I'm on my way so don't close that gate	In the night sky are like shooting stars?
If I don't make that then I'll switch my flight	I could really use a wish right now
And I'll be right back at it by the end of the night	Wish right now, wish right now
Can we pretend that airplanes	I could really use a wish right now
In the night sky are like shooting stars?	I could really use a wish right now
I could really use a wish right now	Like like (10) stars
Wish right now, wish right now	I could really use a wish right now
Can we pretend that airplanes	A wish a wish right now
In the night sky are like shooting stars?
