

Fill in the gaps

When You're Gone by Avril Lavigne

I always needed time on my own	The pieces of my heart are missing you
I never thought I'd (1) you there when I cry	When you're gone
And the days feel like years when I'm alone	The face I came to know is missing too
And the bed where you lie is made up on your side	When you're gone
When you walk away I count the steps that you take	The words I need to hear to always get me through the day
Do you see how much I need you right now	and make it ok
When you're gone	I (8) you
The (2) of my heart are missing you	We were made for each other
When you're gone	Out here forever
The face I (3) to (4) is missing too	I know we were, yeah!
When you're gone	All I ever wanted was for you to know
The words I need to hear to always get me	Everything I do, I'd give my (9) and soul
(5) the day and make it ok	I can hardly breathe I need to feel you here with me, yeah!
I miss you	When you're gone
I've never felt this way before	The pieces of my heart are missing you
Everything that I do reminds me of you	When you're gone
And the clothes you left, (6) lie on the floor	The face I came to know is missing too
And they smell just like you, I (7) the things that	When you're gone
you do	The (10) I need to hear will always get me
When you walk away I count the steps that you take	through the day and make it ok
Do you see how much I need you right now	I miss you
