When You're Gone by Avril Lavigne

i always needed time on my own	The (8) or my neart are missing you
I never thought I'd need you there when I cry	When you're gone
And the (1) feel like years when I'm alone	The face I came to know is missing too
And the bed where you lie is made up on your side	When you're gone
When you walk away I count the (2) that you	The words I need to hear to always get me through the day
take	and make it ok
Do you see how much I need you right now	I miss you
When you're gone	We were made for each other
The pieces of my heart are missing you	Out here forever
When you're gone	I know we were, yeah!
The face I (3) to know is missing too	All I ever wanted was for you to know
When you're gone	Everything I do, I'd give my heart and soul
The (4) I need to hear to (5) get	I can hardly breathe I need to feel you here with me, yeah!
me through the day and make it ok	When you're gone
I miss you	The pieces of my heart are (9) you
I've never felt this way before	When you're gone
Everything that I do reminds me of you	The face I came to know is missing too
And the clothes you left, they lie on the floor	When you're gone
And they smell just (6) you, I love the	The words I need to hear will always get me through the day
(7) that you do	and make it ok
When you walk away I count the steps that you take	I miss you
Do you see how much I need you right now
