

I'll not close my eyes

## Fill in the gaps

| I can't run any             | more      |      |                     | I'm too alive       |                        |  |
|-----------------------------|-----------|------|---------------------|---------------------|------------------------|--|
| I fall (1)                  | you       |      |                     | And you're too      | strong                 |  |
| Here I am                   |           |      | I can't lie anymore |                     |                        |  |
| I (2)                       | _ (3)     | left |                     | I (9)               | down before you        |  |
| Though I've tried to forget |           |      |                     | I'm sorry           |                        |  |
| You're all that I am        |           |      |                     | I'm sorry           |                        |  |
| Take me home                |           |      |                     | My only hope        |                        |  |
| I'm (4)                     | (5)       |      | it                  | My only peace       |                        |  |
| Broken                      |           |      |                     | My only joy         |                        |  |
| Lifeless                    |           |      |                     | My (10) strength    |                        |  |
| I (6) up                    |           |      |                     | My only power       |                        |  |
| You're my only strength     |           |      |                     | My (11)             | life                   |  |
| Without you                 |           |      |                     | My (12)             | love                   |  |
| I can't go on               |           |      |                     | Constantly ignoring |                        |  |
| Anymore                     |           |      |                     | The (13)            | consuming me           |  |
| Ever again                  |           |      |                     | But (14)            | (15) it's cut too deep |  |
| My only hope                |           |      |                     | l'll (16)           | (17) again             |  |
| My only peace               |           |      |                     | My only hope        |                        |  |
| My (7) joy                  |           |      |                     | My (18)             | peace                  |  |
| My (8) strength             |           |      |                     | My only joy         |                        |  |
| My only power               |           |      |                     | My only strength    |                        |  |
| My only life                |           |      |                     | My only power       |                        |  |
| My only love                |           |      |                     | My (19)             | life                   |  |
| I can't run anymore         |           |      |                     | My only love        |                        |  |
| I give myself to you        |           |      |                     | My only hope        |                        |  |
| I'm sorry                   |           |      |                     | My only peace       |                        |  |
| I'm sorry                   |           |      |                     | My only joy         |                        |  |
| In all my bitterness        |           |      |                     | My (20) strength    |                        |  |
| I ignored                   |           |      |                     | My only power       |                        |  |
| All that's real and true    |           |      |                     | My only life        |                        |  |
| All I need is you           |           |      |                     | My (21)             | love                   |  |
| When night fa               | lls on me |      |                     |                     |                        |  |
