Someone Like You (Studio) by Adele

Fill in the gaps

I heard That you're settled down That you found a girl And you're (1)_____ now I heard That your dreams came true Guess she gave you things I didn't give to you Old friend Why are you so shy It ain't like you to hold back Or hide from the light I hate to turn up out of the blue uninvited But I couldn't stay away I couldn't fight it I'd hoped you'd see my face And that you'd be reminded that for me It isn't over Never mind, I'll find someone like you I wish nothing but the best for you too Don't forget me, I beg I remember you say Sometimes it lasts in love But sometimes it hurts instead Sometimes it lasts in love But sometimes it hurts instead, yeah You'd know how the time flies Only yesterday was the time of our lives We (2)_____ born and raised In a summer haze Bound by the suprise of our glory days I hate to turn up out of the blue uninvited

But I couldn't stay away

I couldn't fight it
