

## Fill in the gaps

I know a girl	Girls become lovers who turn into mothers
She puts the color inside of my world	So mothers be good to your daughters, too
She's just like a maze	Boys, you can break
Where all of the walls all continually change	You'll find out how much they can take
And I've done all I can	Boys will be strong and (5) soldier on
To stand on her steps with my (1) in my hands	But boys would be gone (6) warmth from
Now I'm starting to see	A woman's good, good heart
Maybe it's got nothing to do with me	On behalf of every man
Fathers be good to your daughters	Looking out for every girl
Daughters will love like you do	You are the guide and the weight of her world
Girls become lovers who turn into mothers	So fathers be good to your daughters
So mothers be good to your daughters, too	Daughters will love like you do
(Oh) You see that skin?	Girls (7) lovers who (8) int
It's the same she's been standing in	mothers
Since the day she saw him walking away	So mothers be good to your daughters, too
Now she's (2) cleaning up the mess he made	So mothers be good to (9) daughters, too
So (3) be (4) to your daughters	So mothers be good to your daughters, too
Daughters will love like you do
