

## Fill in the gaps

I know a girl	Girls (13) lovers who turn into mothers
She puts the color inside of my world	So mothers be (14) to (15) daughters,
She's just like a maze	too
Where all of the (1) all continually change	Boys, you can break
And I've done all I can	You'll find out how much they can take
To (2) on her steps (3) my heart in	Boys will be strong and boys (16) on
my hands	But boys would be (17) without warmth from
Now I'm starting to see	A woman's good, good heart
Maybe it's got nothing to do with me	On (18) of (19) man
Fathers be (4) to your daughters	Looking out for every girl
Daughters will love like you do	You are the guide and the weight of her world
Girls (5) (6) who turn into	So (20) be good to (21)
mothers	daughters
So mothers be good to (7) daughters, too	Daughters will love like you do
(Oh) You see that skin?	Girls become lovers who (22) into mothers
It's the same she's (8) standing in	So (23) be good to your daughters, too
Since the day she saw him walking away	So (24) be good to your daughters, too
Now she's (9) up the	So mothers be good to your daughters, too
mess he made	
So fathers be good to your daughters	
Daughters will (11) (12) you do
