

Fill in the gaps

I know a girl	Girls become lovers who turn into mothers
She puts the color inside of my world	So mothers be good to (5) daughters, too
She's just like a maze	Boys, you can break
Where all of the walls all continually change	You'll find out how much they can take
And I've done all I can	Boys will be strong and boys soldier on
To stand on her steps with my (1) in my hands	But boys would be gone without warmth from
Now I'm starting to see	A woman's good, good heart
Maybe it's got nothing to do with me	On behalf of every man
Fathers be good to your daughters	Looking out for every girl
Daughters will love like you do	You are the (6) and the weight of her world
Girls become (2) who turn into mothers	So (7) be good to your daughters
So (3) be good to your daughters, too	Daughters will love like you do
(Oh) You see that skin?	Girls become (8) who turn into mothers
It's the (4) she's been standing in	So mothers be good to your daughters, too
Since the day she saw him walking away	So mothers be (9) to your daughters, too
Now she's left cleaning up the mess he made	So mothers be (10) to your daughters, too
So fathers be good to your daughters	
Daughters will love like you do
