

## Fill in the gaps

I worry	It's not (14) to
I weigh (1) (2) my body	Is there a second in (15) I (16)
l worry	around
I (3) my fear around	Did I sail through or (17) my (18)
But this morning	down?
There's a calm I can't explain	Was anything enough to kiss the ground?
The (4) candy's (5) (6)	And say I'm here now
diamonds now remain	And she's (19) now
(Ooh ooh ooh)	(Ooh ooh ooh)
By the time I (7) (8)	(Ooh ooh ooh)
moment	So much wasted in the afternoon
This moment (9) be gone	So much (20) in the month of June
But I (10) the light pretend	How about you? (Oh)
That it somehow lingered on	And I will wait to find
Well all I got's	If this (21) last forever
(Ooh ooh ooh)	And I will wait to find
And I will wait to find	That it won't, and it won't, it won't
If this (12) last forever	And I will pay no mind
And I will (13) to find	Worry about the (22) weather
If this will last forever	And I will waste no time
And I will pay no mind	Remaining in our life together
Well it won't, and it won't, cause it can't	
It just can't
