

## Fill in the gaps

## You're My Everything by Santa Esmeralda

You are my everything			You're my everything
The sun (1)	(2)	(3)	No nothing really matters
you			But the (15) you bring
Make the (4)	_ (5)	sing	You're my everything
The stars (6)	_ twinkle (7)	up in the sky	To see you in the morning
Tell me I'm in love			With those big brown eyes
When I (8) your lips			You're my everything
I feel the (9) thunder to my fingertips			Forever and a day I need you close to me
And all the while my head is in a spin			You're my everything
Deep within I'm in love			You (16) have to worry
You're my everything			Never (17) for I am near
And nothing (10) matters			When I (18) you tight
But the love you bring You're my everything			There's nothing that can (19) you
			In the lonely night
To see you in the morning			I'll (20) to you and (21) you
With those big brown eyes			(22) and warm
You're my everything			It's so strong my love
Forever and a day I ne	ed you (11)	to me	When I (23) your lips
You're my everything			I (24) the roaring thunder to my fingertips
You (12) have to worry			And all the (25) my head is in a spin
Never fear for I am near			Deep within I'm in love
For my everything			
I lived up from the land	and sea the sk	ky above	
I'll swim within her ocean's (13) and warm			
There's no (14)	my love		

## 1. that
