

And I can't go back

## Fill in the gaps

Moods that take me

## Falling Slowly by Glen Hansard & Markéta Irglova

I don't know you	And (5) me
But I (1) you	And I'm painted black
All the more for that	You have suffered enough
Words (2) through me	And warred (6) yourself
And always fool me	It's time that you won
And I can't react	Take (7) sinking boat
And games that never amount	And point it home
To more than they're meant	We've still got time
Will play themselves out	Raise (8) hopeful voice
Take this sinking boat	You (9) a choice
And point it home	You've made it now
We've still got time	Falling slowly
Raise your hopeful voice	Sing your melody
You (3) a choice	I'll sing along
You (4) it now	(Oh)
Falling slowly	
Eyes that know me
