## Falling Slowly by Glen Hansard & Markéta Irglova

l don't know you			And erase me
But I want you			And I'm painted black
All the more for that			You (6) suffered enough
Words fall through me			And warred with yourself
And always fool me			It's time that you won
And I can't react			Take this sinking boat
And games that never amount			And point it home
To more than they're meant			We've still got time
Will (1)	(2)	out	Raise your hopeful voice
Take this sinking boat			You have a choice
And point it home			You've (7) it now
We've still got time			Falling slowly
Raise your hopeful voice		Sing (8) melody	
You have a choice			I'll sing along
You (3)	it now		(Oh)
Falling slowly
