

You light the skies, up above me

## Fill in the gaps

A star, so bright, you blind me, yeah
Don't (1) your eyes
Don't fade away, don't fade away-
Oh
Yeah you and me we can ride on a star
If you (2) with me girl
We can (3) the world-
Yeah you and me we can light up the sky
If you (4) by my side
We can rule the world-
If walls break down, I will comfort you
If angels cry, oh I'll be (5) for you
You've saved my soul
Don't leave me now, don't leave me now
Oh
Yeah you and me we can ride on a star
If you stay with me girl
We can rule the world
Yeah you and me, we can light up the sky
If you stay by my side
We can rule the world-
oh
All the (6) are coming out tonight
They're lighting up the sky tonight

For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you-
oh
Yeah you and me we can ride on a star
If you stay with me girl
We can (7) the world
Yeah you and me, we can (8) up the sk
If you stay by my side
We can rule the world
All the stars are coming out tonight (oh)
They're lighting up the sky tonight
For you, for you-
All the stars are coming out tonight
They're (9) up the sky tonight
For you,for you-
All the stars, are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars, are coming out tonight
They're lighting up the sky tonight
For you for you
