

Oh, It's not my time

## Fill in the gaps

Looking back at the beginning of this	I'm not going
And how life was	There's a fear in me
Just you and me and love and all of our friends	Now I know that
Living life like an ocean	This could be the end of me
Now the currents slowly pulling me down	And (14) I know
It's (1) to breathe	Oh, I won't go
It won't be too (3) and I'll be (4)	I won't go
under	There (15) be more than you believe
Can you save me from this	There might be (16) than you believe
Cause It's not my time	There (17) be more (18) you can see
I'm not going	But it's not my time
There's a fear in me	I'm not going
It's not showing	There's a fear in me
This (5) be the end of me	It's not showing
And (6) I know	This (19) be the end of me
Oh, I won't go	And (20) I know
I look (7) to all the plans that we made	It's not my time
And the (8) that we had	I'm not going
I'm in a world that tries to take them away	There's a (21) in me
Oh, but I'm taking (9) back	Now it's (22) show
Cause all this time I've (10) to blind	This could be the end of me
to understand	And (23) I know
What (12) matter to me	There might be (24) than you believe
My friend, (13) life we live is not what we have	There might be more than you believe
It's what we believe	There might be (25) (26) you can see
And It's not my time	I won't go!
I'm not going	And no, I won't go down!
There's a fear in me	(Yeah)
It's not showing	
This could be the end of me	
And everything I know
