

Take a step before you leap

Fill in the gaps

Aftermath (Acoustic) by Adam Lambert

Have you lost your way?		Into the colours that you seek
Living in the shadow of the (1)	that you made	You give back what you give away
And so it goes		So don't look (7) on yesterday
Everything inside your circle starts to overflow		Wanna scream out no more hiding
Take a step before you leap		Don't be afraid of what's inside
Into the colours that you seek		Gonna tell ya you'll be alright in the Aftermath
You give back what you give away		Anytime anybody pulls you down
So don't look back on yesterday		Anytime anybody says you're not allowed
Wanna scream out no (2) hiding		Just remember you are not alone In the Aftermath
Don't be afraid of what's inside		Before you break you (8) to shed (9)
Gonna tell ya you'll be alright in the Aftermath		armor
Anytime (3) (4)	you down	Take a trip and fall into the glitter
Anytime anybody says you're not allowed		Tell a stranger (10) they're beautiful
Just remember you are not alone In the Aftermath		So all you feel is love, love
And you feel the weight		All you feel is love, love
Of lies and contradictions that you live (5)_	every	Anytime anybody pulls you down
day		Anytime anybody says you're not allowed
No It's not too late		Just remember you are not alone
Just (6) of what could be		In the Aftermath
