Why don't presidents fight the war?

Fill in the gaps

You!	Why do they always send the poor?
Why do they always send the poor?	Why don't presidents (7) the war?
Barbarisms by Barbaras	Why do they always send the poor?
With pointed heels	Why do (8) always send the poor?
Victorious victorious kneel	Why do they always send the poor?
For brand new spankin' deals	Why do they always send the poor?
Marching forward hypocritic	Kneeling roses disappearing into Moses' dry mouth
And (1) computers	Breaking in the Fort Knox stealing
You (2) on our protection	Our intentions
Yet you feed us lies from the tablecloth	Hangars sitting dripped in oil
(La La La La La La La hoooo)	Crying freedom
Everybody's (3) to the party	Handed through obsoletion
Have a real good time	Still you feed us lies from the tablecloth
Dancing in the desert blowing up the sunshine	(La La La La La La Lalala hooo)
Kneeling roses disappearing into Moses' dry mouth	Everybody's going to the party
Breaking in the Fort (4) stealing our intentions	Have a real good time
Hangars sitting dripped in oil	Dancing in the desert blowing up the sunshine
Crying freedom	Everybody's going to the party
Handed through obsoletion	Have a real good time
Still you feed us lies from the tablecloth	Dancing in the desert blowing up the sunshine
(La La La La La La La hoooo)	Where the **** are you?
Everybody's going to the party	Where the **** are you?
Have a real good time	Why don't presidents fight the war?
Dancing in the desert blowing up the sunshine	Why do (9) always send the poor?
Everybody's going to the party	Why don't presidents fight the war?
Have a real good time	Why do they always send the poor?
Dancing in the desert (5) up the sunshine	Why do they always send the poor?
Blast off!	Why do they always (10) the poor?
It's (6) time!	Why do they always send the poor?
And we don't live in a fascist nation!	Why do they always send the poor?
Blast off!	Why do they always send the poor?
It's party time!	They always send the poor
And where the **** are you?	They always send the poor
Where the **** are you?	
Where the **** are you?
