

## Fill in the gaps

I feel it's changing, I (1) the same				
l'm a solo cello outside a chorus				
I've got a secret				
It's time for me to tell				
That you've been keeping me warm				
Just sweet beginnings and (2) endings				
In coffee city, we borrowed heaven				
Don't (3) it back				
I've never (4) so wanted, are you taking me home?				
You tell me you have to go				
In the heat of summer sunshine				
I (5) you like nobody else				
In the heat of summer sunshine				
I kiss you, and nobody needs to know				
Now that you've left me, there's no returning				
I keep comparing, you're always winning				
I try to be strong but you'll never be more wanted				
Will you make me at home?				
Don't tell me you have to go				

In the heat of summer sunshine
