

Fill in the gaps

You can dance, you can jive	Having the time of your life
Having the time of your life	See that girl, watch that scene
See that girl, (1) that scene	Diggin' the (6) queen
Diggin' the dancing queen	You're a teaser, you turn 'em on
Friday night and the lights are low	Leave 'em burning and then you're gone
Looking out for a place to go	Looking out for another, anyone will do
Where (2) play the right music,	You're in the mood for a dance
(3) in the swing	And when you get the chance
You come to look for a king	You are the (7) queen
Anybody could be that guy	Young and sweet, only seventeen
Night is young and the music's high	Dancing queen
With a bit of rock music, everything is fine	Feel the beat from the tambourine, oh yeah
You're in the mood for a dance	You can dance, you can jive
And (4) you get the chance	Having the time of your life
You are the (5) queen	See that girl, watch (8) scene
Young and sweet, only seventeen	Diggin' the (9) queen
Dancing queen	Diggin' the (10) queen
Feel the beat from the tambourine, oh yeah	
You can dance, you can jive
