

Fill in the gaps

I don't mind it	Right
I don't mind at all	No I don't believe you
It's like you're the swingset	When you say don't (12) around here no more
And I'm the kid that falls	l won't (13) you
It's (1) the way we fight	You said we wouldn't be apart
The times I cry	No I don't believe you
We come to blows	When you say you don't need me anymore
And every night	So don't pretend to
The passion's there	Not love me at all
So it's (2) be right	Just don't stand (14) and watch me fall
Right	Cause I (15) I still don't (16) it at all
No I don't believe you	It's (17) the way we fight
When you say don't (3) (4)	The times I cry
(5) no more	We come to blows
I won't (6) you	And every night
You said we wouldn't be apart	The passion's there
No I don't believe you	So it's (18) be right
When you say you don't (7) me anymore	Right
So don't pretend to	No I don't believe you
Not love me at all	When you say don't come (19) here no more
I don't mind it	I won't (20) you
Still don't (8) at all	You said we wouldn't be apart
It's like one of (9) bad dreams	No I don't (21) you
When you can't wake up	When you say you don't need me anymore
Looks like	So don't pretend to
You've given up	Not love me at all
You've had enough	I don't believe you
But I want more	
No I won't stop	
Cause I (10) know	
You'll (11) around
