## Young Folks by Peter, Bjorn & John

If I told you things I did before	Everyone is leaving I'm still (5) you
Told you how I used to be	It doesn't matter what we do
Would you go along with someone like me	Where we are going too
If you knew my story word for word	We can stick around
Had all of my history	And see this night through
Would you go along with someone like me	And we don't care about the (6) folks
I did before and had my share	Talking 'bout the young style
It didn't lead nowhere	And we don't care about the old folks
I would go along with someone like you	Talking 'bout the old (7) too
It doesn't matter (1) you did	And we don't (8) about (9) own faults
Who you were hanging with	Talking 'bout our own style
We could stick around	All we care 'bout is talking
And see this night through	Talking only me and you
And we don't care about the young folks	And we don't care about the young folks
Talking 'bout the young style	Talking 'bout the young style
And we don't (2) about the old folks	And we don't care about the old folks
Talking 'bout the old style too	Talking 'bout the old style too
And we don't care about their own faults	And we don't care about their own faults
Talking 'bout our own style	Talking 'bout our own style
All we (3) 'bout is talking	All we care 'bout is talking
Talking only me and you	Talking only me and you
Usually when (4) has gone this far	Talking only me and you
People tend to disappear	Talking only me and you
No one will surprise me unless you do	Talking only me and you
I can tell there's something going on	
Hours seems to disappear
