If you ever leave me, baby	But (5) (6) watch me
Leave some morphine at my door	(7) their minds
'Cause it would (1) a whole lot of medication	Yeah for you I'll try, I'll try, I'll try
To realize what we (2) to have	And I'll pick up (8) broken pieces 'til I'm bleeding
We don't have it anymore	If that'll make you mine
There's no religion that could save me	'Cause there'll be no sunlight
No matter how long my knees are on the floor	If I lose you, baby
So keep in mind all the sacrifices I'm making	There'll be no clear skies
Will keep you by my side	If I lose you, baby
And keep you from walking out the door	And just like the clouds
'Cause there'll be no sunlight	My eyes will do the same if you walk away
If I lose you, baby	Everyday, it will rain
There'll be no clear skies	Don't you say, goodbye
If I lose you, baby	Don't you say, goodbye
Just like the clouds	I'll pick up these broken pieces 'til I'm bleeding
My (3) will do the same if you walk away	If that'll (9) it right
Everyday, it (4) rain	'Cause there'll be no sunlight
I'll never be your mother's favorite	If I lose you, baby
Your daddy can't even look me in the eye	And there'll be no clear skies
If I was in their shoes, I'd be doing the same thing	If I lose you, baby
Saying there goes my little girl	And just like the clouds
Walking with that troublesome guy	My eyes will do the same if you (10) away
But they're just afraid of something	Everyday, it will rain, rain, rain
They can't understand
