

## Fill in the gaps

It's alright, to tell me, what you think, about me			
I won't try, to argue, or hold it, against you			
I know that, you're leaving			
You must have, your reasons			
The season is calling			
Your pictures are falling down			
The steps that, I retrace			
The sad look, on your face			
The timing, and structure			
Did you hear, he f**** her?			
A day late, a buck short, I'm writing, the report			
On losing, and failing when I move			
I'm flailing now			
And it's happened once again			
I'll turn to a friend			
Someone that understands			
Sees (1) the (2) plan			
But everybody's gone			
And I've been (3) for too long			
To (4) this on my own			
Well I guess this is growing up			
Well I guess this is growing up			
And maybe, I'll see you			

At a movie sneak prev	riew		
You'll show up, and walk by			
On the arm of that guy	/		
And I'll smile, and you'll wave			
We'll (5)	it's okay		
The charade, it won't I	ast		
When he's gone, I won't come back			
And it'll happen once a	again		
You'll turn to a friend			
Someone that understands			
And (6) thr	ough the master pl	an	
But everybody's gone			
And you've been there for too long			
To face (7)	on (8)	own	
Well I guess this is growing up			
Well, I guess this is gr	owing up		
Well, I guess this is growing up			
Well, I guess this is gr	owing up		
Well, I guess this is gr	owing up		
Well, I guess this is (9	9)	up
