## End Of Me by Apocalyptica & Gavin Rossdale

Rosaries	This love this love
Left under the mattress	Is gonna be the end of me
All those memories	Everything I (5) is wasted
Who could bear the witness?	I'm the one (6) suffocated
As you slip into oblivion	This love this love
Use it like a weapon	Is gonna be the end of me
And I'm left to bleed	Your rescue, my undo
Waiting for the moment	I'm not the one to save you
When you've had (1) fun	I'm empty, completely
A (2) gun	I'm (7) in your shadow
Take away your broken misery	Take away your broken misery
I can't always erase your memory	I can't always erase your memory
This love this love	This love this love
Is gonna be the end of me	Is (8) be the end of me
Everything I gave is wasted	Everything I gave is wasted
I'm the one (3) suffocated	I'm the one whose suffocated
This love this love	This love this love
Is gonna be the end of me	Is gonna be the end of me
Can't resist	I can't chase away (9) ghost
Poisoning the message	Inside it only grows
Just a narcissist	Nothing left but misery
Trapped inside the wreckage	This will be the end of me
And the sympathy I had is gone	All the shit (10) you created
Deadened by the ceremony	All the scars you celebrated
Drama queen	Couldn't take away your pain
Stand behind your rampart	Couldn't resurrect your name
As your kingdom falls	This love will be the end of me
All because	This love will be the end
Take away (4) broken misery
