Moving forward using all my breath	The future's (5) wide
Making love to you was never second best	Let's stop the world
I saw the world thrashing all around your face	I'll stop the world and melt with you
Never really knowing	Let's stop the world
It was always mesh and lace	I've seen some changes
I'll stop the world and melt with you	But it's getting (6) all the time

You should know better	The future's open wide
