

If I (3)_____ (4)____ your name

Fill in the gaps

If I only knew your name		I'd go (5) (6) to door
I'd go from door to door		Tell me have you seen the girl
Searching all the (1)	_ streets	I've met just once before
For the place that I once saw		Young Love
If I only knew your name		Never seems to last
I'd go from door to door		Far too young
Tell me have you seen the girl		Until they have a past
I've met (2) once before		Playing games
One night of love		People move so fast
Nothing more nothing less		You don't need eyes to see
One night of love		If someones got a heart of glass
To put my head in a mess		Young Love
Is that you on the bus?		Never seems to last
Is that you on the train?		Far too young
You wrote your number on my hand		Until they have a past
And it came off in the rain		One night of love
One night of love		Nothing more nothing less
Nothing more nothing less		One night of love
One night of love		Has left my heart in a mess
Has put my bed in a mess		If I only knew your name
Is that you on the bus?		l'd go (7) door to door
Is that you on the train?		Searching all the crowded streets
You wrote your number on my hand		For the place that I once saw
And it came off in the rain		If I only knew your name
If I only knew your name		I'd go (8) door to door
I'd go from door to door		Tell me have you seen the boy
Searching all the crowded streets		I've met just once before
For the place that I once saw
