

Keeping everything inside

## Fill in the gaps

I've (1) the needle and the thread	Close my eyes and listen to you cry
Weaving (2) eights and circles round your	I'm lifting you up
head	I'm letting you down
I try to laugh but cry instead	I'm (15) til dawn
Patiently (3) to hear the words you've	I'm (16) around
(4) said	I'm not giving up
Fumbling through your dresser drawer	I'm (17) love
Forgot what I was looking for	This city's made us crazy and we must get out
Try to (5) me in the (6) direction	There's only so much I can do for you
Making use of all this time	After all of the things you've put me through
Keeping everything inside	I'm lifting you up
Close my eyes and listen to you cry	I'm letting you down
I'm lifting you up	I'm dancing til dawn
I'm letting you down	I'm fooling around
I'm (7) til dawn	I'm not (19) up
I'm fooling around	I'm (20) love
I'm not giving up	This city's made us crazy and we must get out
I'm (8) love	I'm lifting you up
This city's made us (10) and we must get out	I'm letting you down
Oh yeah	I'm dancing til dawn
This is not goodbye she said	I'm fooling around
It is (11) time for me to rest my head	I'm not (22) up
She (12) not (13) she runs instead	I'm making your love
Down these jagged streets and into my bed	This city's (23) us crazy and we must get ou
When I was	(Oh oh oh)
Fumbling through your dresser drawer	
Forgot what I was looking for	
Try to (14) me in the right direction	
Making use of all this time
