#### Fill in the gaps

#### Over My Shoulder by Mike and The Mechanics

Looking (1) over my shoulder	Cos I can (15) you (16)
I can see that (2) in (3) eye	(17) my fingers
I never dreamed it (4) be over	I don't even (18) the reason why
I never wanted to say goodbye	Every day It's a losing (19) just to smile
Looking back (5) my shoulder	And hold my (20) up high
With an aching (6) in my heart	Could it be that we belong together
I wish that we were starting over	Baby won't you (21) me one more try
Oh instead of drifting so far apart	On more try
Everybody told me you were leaving	Looking back over my shoulder
Funny I (7) be last to know	I can see that (22) in your eye
Baby please tell me that I'm dreaming	I never dreamed it could be over
l just never (8) to let you go	I never (23) to say goodbye
Looking back (9) my shoulder	Looking back over my shoulder
I can see that (10) in your eyes	(Oh with an aching (24) inside
Turning my (11) (12) and over	Cutting me up, deeper and deeper
I never wanted to say goodbye	Fills me with a sadness that I can't hide
I don't (13) everybody laughing	Looking back)
But it's (14) to make a grown man cry
