

Fill in the gaps

(On on)	For my head on a silver plate
I used to rule the world	Just a puppet on a (13) string
Seas (1) rise when I gave the word	Oh who (14) ever want to be king?
Now in the morning I sleep alone	I (15) (16) bells a-ringing
Sweep the streets I used to own	Roman cavalry choirs are singing
I (2) to roll the dice	Be my mirror my sword and shield
Feel the fear in my enemy's eyes	My (17) in a foreign field
Listened as the crowd would sing	For (18) (19) I can't explain
Now the old king is dead long live the king	I know St Peter won't (20) my name
One minute I held the key	Never an honest word
Next the (3) were closed on me	But (21) was when I (22) the world
And I discovered (4) my (5)	
stand	(Oh oh oh)
Upon pillars of salt and pillars of sand	Hear Jerusalem (23) a-ringing
I hear (6) bells a-ringing	Roman cavalry choirs are singing
Roman cavalry (7) are singing	Be my (24) my sword and shield
Be my mirror my (8) and shield	My missionaries in a foreign field
Missionaries in a foreign field	For some reason I can't explain
For some reason I can't explain	I know St Peter won't (25) my name
Once you'd gone there was never	Never an honest word
Never an honest word	But that was (26) I (27) the world
And that was (9) I ruled the world	(Oh oh oh)
It was a wicked and wild wind	(Muchísimas gracias)
Blew (10) the doors to let me in	
Shattered (11) and the (12) of	
drums	
People couldn't believe what I'd become	
Revolutionaries wait
