All Around The World by Oasis

You've gotta spread the word

Fill in the gaps

It's a bit early in the midnight hour for me	Tell 'em what you've heard
To go through all the things that I want to be	We're gonna make a better day
I don't (1) in everything I see	Cos all (20) the world
You know I'm (2) so why do you disagree?	You've got to spread the word
Take me (3) 'cause I just don't want to stay	Tell 'em what you've heard
And the (4) you (5) me say	You know it's gonna be okay
Are getting deeper (6) day	It's (21) be okay
These are crazy days but they make me shine	It's gonna be okay
Time keeps rolling by	It's gonna be okay
All (7) the world	It's (22) be okay
You've gotta spread the word	All around the world
Tell 'em what you've heard	You gotta spread the word
You're (8) make a better day	Tell 'em what you've heard
All (9) the world	You're gonna make a better day
You've gotta spread the word	So all around
Tell 'em what you've heard	You gotta spread the word
You know it's gonna be okay	Tell (23) what you heard
Whatcha gonna do	You know it's (24) be okay
When the walls (10) (11) down?	Around the world
You never move you never make a sound	You (25) spread the word
Where you gonna swim	Tell 'em (26) you've heard
With the (12) that you found?	You're gonna make a (27) day
If you're lost at sea then I hope that you've drowned	Around the world
Take me away 'cause I just don't want to stay	You gotta spread the word
All the (13) you make me say	Tell them what you heard
Are getting deeper every day	You know it's gonna be okay
These are crazy days but they (14) me shine	And I know, what I know
Time keeps rolling by	What I know, what I know
All around the world	Yeah I know, what I know
You've (15) spread the word	It's gonna be okay
Tell 'em what you've heard	And I know, (28) I know
You're (16) (17) a better day	What I know, what I know
And all (18) the world	Yeah I know, what I know
You've gotta spread the word	Pigs don't fly never say die
Tell them what you heard	So things are gonna fly, you never say die
You (19) it's gonna be okay	So (29) are gonna fly, you never say die
