

Fill in the gaps

Wet Sand by Red Hot Chili Peppers

My shadow's side so amplified	I thought about it and I brought it out
Keeps (1) dissatisfied	I'm motivated by the lack of doubt
Elementary son, but it's so	I'm (16) but I'm not devout
My love affair with everywhere	The mother, the father, the daughter
Was innocent why do you care	Right on the (17) just one (18) dos
Someone start the car, time to go	I'm traveling (19) (20) to coast
You're the best I know	My theory isn't perfect but it's close
	I'm almost there why (21) I care
My sunny side has up and died	My heart is hurting when I share
I'm betting that (3) we collide	Someone open up and let it show
The Universe will (4) into a low	My, what a good day for a (22) outside
The travesties that we have seen	I'd like to (23) we did it for the better of
Are treating me like benzedrine	I thought about it and I brought it out
Automatic (5) (6) a pro	I'm (24) by the lack of doubt
My, what a (7) day for a (8) outside	I (25) but I'm not devout
I'd like to get to (9) you a little better, baby	The Mother, the father, the daughter
God knows that I (10) tried	(Oh) You don't form in the wet sand
My, what a (11) day for a take out bride	You don't (26) at all
I'd like to say we did it for the better of	(Woah) You don't form in the wet sand
I saw you (12) so unaware	I do, yeah
Those hummingbirds all in your hair	You don't form in the wet sand
Elementary son, but it's so	You don't form at all
The (13) of Norma Jean	(Woah) You don't form in the wet sand
Could not compare to your routine	I do, yeah
Balarama (14) going toe to toe	
My, what a (15) day for let it slide	
I'd like to say we did it for the better of
