## The Lazy Song (Studio) by Bruno Mars

| Today I don't feel like doing anything                  | Do some P90x                                |
|---|---|
| I (1) wanna lay in my bed                               | Meet a (6) nice girl                        |
| Don't feel like pickin up my phone                      | Have some (7) nice sex                      |
| So leave a message at the tone                          | And she's (8) scream out this is great      |
| 'Cause (2) I swear I'm not doing anything               | Oh my God, this is great                    |
| I'm gonna kick my (3) up, then stare at the fan         | I might mess around                         |
| Turn the TV on, throw my hand in my pants               | And get my college degree                   |
| Nobody's gonna tell me I can't                          | I bet my old man will be so pround of me    |
| I'll be lounging on a couch, just chillin in my snuggie | But sorry paps you'll just have to wait     |
| Click to MTV so they can teach me how to Douggie        | Oh Yes I said it                            |
| 'Cause in my castle I'm the freakin man                 | I said it                                   |
| Oh Yes I said it  | I said it 'cause I can!                     |
| I said it   | Today I don't feel like doing anything      |
| I said it 'cause I can!                                 | I just wanna lay in my bed                  |
| Today I don't feel like (4) anything                    | Don't feel like pickin up my phone          |
| I (5) wanna lay in my bed                               | So leave a message at the tone              |
| Don't feel like pickin up my phone                      | 'Cause today I swear I'm not doing anything |
| So leave a message at the tone                          | Nothing at all                              |
| 'Cause today I swear I'm not doing anything             | Nothing at all                              |
| Nothing at all  | Nothing at all                              |
| Nothing at all  |   |
| Tomorrow I wake up                                      |   |
