

Try to (5)_____ me and just move on

Fill in the gaps

Calling all cars we've got another victim	So will you scatter my ashes
'Cause my (1) has become an affliction	Where they won't be found?
What did you expect from me?	I (6) my word and you hate me for it no
What did you expect from me?	But you knew all along
I'm (2) but I think I failed to mention	Try to forget me and just move on
That I lied at my very first confession	I don't
What did you expect from me?	Have love left
What did you expect from me?	Inside
'Cause this has been building	Inside
Since I have been breathing	And I don't
And I know how it's going to end	Have love left
So will you scatter my ashes	Inside
Where they won't be found?	Inside
I kept my word	Are you desperate for an answer?
When I swore that I would let you down	I don't have an ounce of good left in me now
And now that I'm gone	Thats why I walked out
Try to forget me and just move on	So will you scatter my ashes
So will you scatter my ashes	Where they won't be found?
Where they won't be found?	I kept my word
I kept my (3) and you hate me for it now	When I swore that I would let you down
But you (4) all along	And now that I'm gone
Try to forget me and just move on	Try to forget me and just (7) on
Oh my dear what have I gone and done now?	So will you scatter my ashes
It's curtain call, I'm about to take my last bow	Where they won't be found
What did you expect from me?	I kept my word and you hate me for it now
What did you expect from me?	You hate me for it now
Without giving away	Try to forget me and just move on
The entire ending	I am not the one that you should blame
I ruined the evening again	So take what I left you for the pain
So will you scatter my ashes	I am not the one that you should blame
Where they won't be found?	So take what I left you for the pain
I kept my word	And do your (8) to forget my name
When I swore that I would let you down	
And now that I'm gone
