The Garden by Take That

And the fishermen came back across the water
And the people started running in the park
And the city stopped, as I held you in my arms
We could hear the sound of sirens all around us
And the scent of burning oil was in the air
And the music played
And it (1)_____ so good to hear
This is the life we've been given
So open your mind and start living
We can play a part if we only start believing
There's a stranger on the hill and he is speaking
As the tear from every cloud (2)_____ to fall
For one moment then, we understood it all
Everyone, everyone, can you hear the soldiers coming
Everyone, everyone, every man and every woman
We all fall, in the end we're just miracles of matter
So (3)_____ on, let me love you
This is the life we've been given
So (4)_____ (5)_____ mind and start living
We can play a part if we only start believing
This is the (6)_____ we've been given
So open your heart and start loving
We can make a start if we only learn to listen
Then the crowd began to head for the horizon
A million people walking back to work
But you and me, we just lay down in the garden
Yeah you and me, we just lay down in the garden
This is the life we've been (7)_____
So open your heart and start loving
We can make a start if we (8)_____ learn to listen
You and me, we (9)_____ lay down in the garden
Yeah, the garden

Answer
