

Fill in the gaps

And the fishermen (1) (2) across the water And the people started running in the park And the city stopped, as I held you in my
arms We could hear the sound of sirens all around us And the (3) of burning oil was in the air And the music played And it felt so good to
hear This is the life we've been given So open your mind and start living We can play a part if we only start believing There's a stranger on the hill and
he is speaking As the tear from (4) cloud begin to fall For one moment then, we understood it all Everyone, everyone, can you hear the
soldiers coming Everyone, everyone, every man and every women We all fall, in the end we're just miracles of matter So come on, let me love you
This is the life we've been given So (5) your mind and start living We can play a part if we only start believing This is the life we've
(6) given So open your heart and start loving We can make a start if we only learn to listen (7) the crowd began to head for the
horizon A (8) people walking (9) to work But you and me, we just lay down in the garden Yeah you and me, we just lay
down in the garden This is the life we've been given So open your heart and start loving We can make a start if we only learn to listen You and me, we
just lay down in the garden Yeah, the garden
